

CORRELATIONS.AI
OFFER LETTER
SOFTWARE ENGINEERING INTERN

December 08, 2020

Dear Divyansh Singh,

On behalf of Correlations.AI, we are pleased to offer you the position of SWE-Intern and extend a cordial welcome to you as a member of Correlations.AI family.

We are certain that your impressive set of academic and extracurricular credentials will add great value to the organisation. As a member of the development team, you have a great responsibility towards the product.

Correlations.AI, as an organisation, will invest time and effort into ensuring that we are able to add value to you and your profile by providing you an environment in which you can learn, code , and importantly, have fun! Correlations.AI looks forward to welcoming you to a warm and friendly environment where you are given the flexibility to work towards your goals, focus on your other commitments (such as Academics) and yet contribute in a meaningful way towards Correlations.AI. Your joining date is December 08, 2020 Please note that the position is work-from-home. We will be in touch with you via Email and Slack to update you on the Onboarding process.

Welcome to Correlations.AI! The Team looks forward to working with you.

Thanks and Regards,
Pranav Gupta, Shivam Gupta, Siddharth Yadav and Sumit Vohra,
Co-Founders,
Correlations.AI
